

Summer Workshops meet  
once a week to ensure  
you're having fun

**ALL SUMMER LONG!**

**PM** MUSIC SCHOOL  
SUMMER CAMP PROGRAM  
2026

**Harp Circle (No Experience Needed)**

Whether you have a background in music or none at all, come out to learn and play with others! The harp is a beautiful instrument that is easily accessible! **\*No rental required**

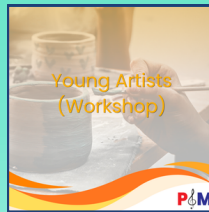

**Meet the Instruments (Workshop)**

Geared towards students who are interested in learning about the different instruments! Focus on a different instrument each week and get a chance to choose your favorite!

**Chamber: Video Game Music**

Have fun working with other talented musicians on uniquely arranged compositions tailored exactly to your needs! Learn about video game arranging and recording.

**Young Artists (Workshop)**

Let your creative side soar with this incredible class! Each week students will learn about a new art medium and practice their talents. An art showcase will occur at the end of the Summer.

**Chamber: Movie Score Music**

If you enjoy movies or just want more experience playing music you usually aren't able to, then this is the workshop for you! Work with a professional coach and play with other talented players!

**Music History & Composition**

Have you always wanted to write your own composition? Or maybe even learn more about how music got to where it is today? It's never too late!

**All summer workshops include six (6x) sessions. They will meet weekly (60-mins) and we work with your availability. End of summer showcase included.**
